

PLEASE JOIN US FOR OUR

God and GOVERNMENT

ANNUAL CONFERENCE

APRIL 22 – 23 2020

APPLICATION DEADLINE: MARCH 18TH

ARPA Canada is hosting a special two-day God & Government event with an exclusive focus on equipping you to advocate against the expansion of assisted suicide and euthanasia (also known as medical assistance in dying or “MAiD”).

We will be welcoming 24 people (ages 18+) from across the country to Ottawa for this signature event! While we encourage any of our constituents in the Reformed Christian community to apply, we are especially encouraging those with a personal connection to the issue of assisted suicide to consider coming. We want you to share your story and experiences with those who are shaping our laws in Canada. **Your voice should be heard and we want to help amplify it!**

There is no fee to attend! Delegates must apply and receive confirmation of their acceptance. Attendees are responsible for their own transportation to and from Ottawa and accommodations. ARPA is happy to provide a list of recommended hotels within one block of the ARPA offices.

Please complete the application form at arpacanada.ca/gg2020.
