

FALL TOUR: NOVEMBER 2022

CHRISTIAN CITIZENSHIP

how our **Heavenly citizenship**
shapes our **Canadian citizenship.**

As Christians, we face the unique challenge of keeping our eyes fixed on a heavenly kingdom while also following our King's command to care deeply about the country where we live. We need constant encouragement to live as courageous Canadian citizens in a way that reflects our confidence in our heavenly citizenship.

We each play a part in bringing the light of God's kingdom into the city where we live. Join us this Fall Tour as we discuss how to be effective dual citizens of the Kingdom of God and the Dominion of Canada.
