

ARPA School Clubs Petition Competition

Here's how it works:

1. School clubs will pick one of the three petitions available – get these from your provincial manager:
 - a. Euthanasia petition
 - b. Pro-Life petition
 - c. Anti-pornography petition
2. Collect signatures.
3. Mail or deliver your completed petitions to the provincial manager.
4. Provincial managers will count the petitions and send them to the House of Commons.
5. The school club with the most valid signatures will win a **pizza party!**
