Yes, I want to make a difference on this issue. I'm going to:

- ☐ Make a phone call.
- ☐ Write an email.

Talking points for contacting an MP's office:

### THANKS

Thank the MP for:

- ✓ Serving this country as an MP.
- ✓ Representing the constituents in their riding.
- ✓ Taking the time to hear your concerns about the expansion of assisted suicide and euthanasia to those with mental illness.

### PLEASE

Ask the MP to do the following:

- ✓ Support the sanctity and value of life for each Canadian, regardless of ability.
- ✓ Follow the advice of psychiatrists, psychologists, and many Canadians and stop the expansion of euthanasia to those with mental illness.
- ✓ Do not send the message that we are giving up on those with mental illness because we think their situation is hopeless.
- ✓ **Support Bill C-314 and encourage your party to do so as well!**
