

TAKE ACTION VOLUNTEER FOR AN ELECTION CANDIDATE

**Would you or your family commit to helping
a candidate for 10 hours during the election?**

An election campaign provides a great opportunity to build a relationship with someone who could very well become your next representative in Ottawa.

So, this is our challenge to you: Commit 10 hours to volunteer for a candidate! This doesn't have to be intimidating at all. You can help with door knocking, hand out literature, or make phone calls. Please look to the right for more ways to help out and track your volunteer time.
